

Biofuels

SPECIAL FOCUS ISSUE
Advanced feedstocks for
advanced biofuels

January 2013 Vol. 4 No. 1

ISSN: 1759-7269

Highlights in this issue...

Editorial | K Singh *et al.* Wood as an advanced feedstock for bioenergy: scale matters

Research Article | JH Dooley *et al.* Woody biomass size reduction with selective material orientation

Research Article | J Shi *et al.* Impact of mixed feedstocks and feedstock densification on ionic liquid pretreatment efficiency
